

Animal Welfare League Champions

Champion: *noun, (1) one who acts on behalf of, fights for, or defends a cause; (2) an advocate; (3) first among all contestants*

Concept: A group of animal lovers who will champion our cause by becoming sustaining supporters of AWL (AWL Champions). They will do this by giving a set amount of \$10 each month to sustain our cause and with each monthly payment they will remain a member of the group. With 200 members, this program contributes \$18,000 annually in support of the AWL programs, replacing one major fundraiser a year.

How to join:

- Mail the form below (or drop it off at the Adoption Center) with your check for \$30, \$60 or \$120. Each \$10 enters you for one month so a \$120 check will enter you for 12 months.
- Use your credit card online at www.hsvawl.org under the Programs tab. You can pay for 3 months or 12 months. Our program coordinator will be notified of your payment and enter you into the drawings.

When is the drawing: Drawings for the Leader of the Pack are held each third Thursday of the month. You do not need to be present to win. Winners are notified by telephone.

How are the winnings calculated: A random number program will be used to determine the winner for that month. (Random.Org) The award for being selected the “Leader of the Pack” will be 50% of the dues of the Champions for that month, not to exceed \$500. A Leader of the Pack can win more than once.

How will I know when I should send in my next dues for Champions: You will get an email reminder at the beginning of the month.
